PREMIUM ISOLATE
CBD HONEY

FLAVOR HERE

500MG CBD PER CONTAINER

DIETARY SUPPLEMENT

Net Wt. 3oz

CBD Honey has been blended to specific ratios in such a way that allows the honey to mix easily and provide a consistent amount of CBD. CBD Honey can be put in tea, added as a topping or used as an ingredient for food preparation. CBD honey Pots are composed of organic CBD and all natural honey. This sweet treat is sure to satisfy any sweet tooth, whether eaten directly or put your favorite foods or drinks. Ingredients: Natural cannabidiol (CBD) hemp oil and Natural grade A honey. *These statements have not been evaluated by the Food and Drugs Administration. This product is not intended to diagnose, treat, cure or prevent any disease. Do not use if you are taking medication, under the influence of alcohol, if you are pregnant, breastfeeding, or operating heavy machinery. Allergen Information: Manufactured in a facility which produces products that may contain nuts, dairy, wheat, gluten, egg and soy. Keep out of reach of children and pets. Store away from heat, light and humidity.
